## SUPER DEGREASER

PRODUCT NUMBER 219

### RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution. We invite you to come and be a part of a winning solution.

**Attention:** Refer to our Material Safety Data Sheet regarding hazards, personal protection, and disposal of this product.

Techsheat Modified on 12/16/2002

### PRODUCT DESCRIPTION:

Super Degreaser is a heavy duty liquid cleaner designed especially for steam and vent hood cleaning; however, it also has a wide application of uses where a highly caustic, yet thorough and penetrating product is needed. It is ideal for stripping paint, rust, or heavy grease from cast iron or carbon steel surfaces. Super Degreaser also contains special ingredients that will etch aluminum white as well as special corrosion inhibitors for mild corrosion protection.

### INSTRUCTIONS:

**Vent Hoods:** Add 1 part Vent Hood Cleaner to 4 parts hot water (above 120F). Apply to soiled areas generously. Allow product to chemically penetrate soils for 15 minutes. For heavy buildups, scraping may be necessary. For light buildups, scrubbing with a hard-bristle broom will break up and loosen soil. Rinse thoroughly with hot (140F) high pressure water (1200 psi).

**General Purpose Steam Cleaning:** Dilute 1 ounce of Super Degreaser for every gallon of water for mild cleaning. Adjust as necessary for best results. Safe for use in pressure washing machines.

**Paint Stripping:** Use full strength.

Wear gloves and safety glasses at all times when using. This product is highly corrosive!

### CUSTOMER BENEFITS:

- Wide application of uses.
- Excellent wetting ability.
- Cleans dirt and grime quickly and thoroughly.
- Non-toxic.
- No irritating fumes.
- Biodegradable.
- USDA approved.
