

CHAMPION™

FORMULA 226

Heavy Duty Floor Cleaner & Degreaser

DESCRIPTION

Champion™ is a heavy duty powdered steam cleaning compound which cleans quickly, effectively and will not clog lines or corrode equipment. It removes heavily encrusted grease and soil by its outstanding cleaning power which is accomplished by a special blend of emulsifiers and not a high caustic content. Champion's™ uses vary from cleaning transportation vehicles to cleaning concrete floors in mechanic shops. This formula meets USDA requirements is an ideal powder for meat and poultry processors

AT A GLANCE

- Excellent Concrete Cleaner
- Quickly removes encrusted grime
- Meets USDA Requirements

APPLICATIONS

Cleaning Concrete Floors	Gas Islands	Garages
Mechanic Shops	Meat and Poultry Processing Plants	Drive ways & side walks

SPECIFICATIONS

Physical Form:	Powder	pH (1% dilution):	11.0 - 12.0
Recommended Dilution:	Varies - See Label	DOT Class:	Corrosive
Color:	Orange	Fragrance:	None

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
