Road-Warrior™

PRODUCT NUMBER 441

PRODUCT DESCRIPTION:

Road-Warrior™ is a heavy-duty Drum-in-Box kit designed for the cleaning of heavy equipment, dump trucks, trash trucks, straight trucks, trailers, rail cars, engines, and industrial tractors. The Drum-in-Box concept is designed to allow the customer to mix their own drums of liquid detergent. Road-Warrior™ is unique from other kits because it makes a heavy-duty vehicle wash that not only cuts road film, but also removes grease, oil, and carbon effortlessly. For an ultra-concentrated heavy-duty cleaner, Road-Warrior™ Hyperstack™ technology allows two kits to be mixed into one drum.

KEY POINTS:

- Biodegradable
- Easy shipping and handling
- Heavy-Duty
- Hyperstackable
- Non-toxic
- Ideal for a variety of wash applications

Attention: Refer to our Material Safety Data Sheet regarding hazards, personal protection, and disposal of this product.

Techsheat Modified on 5/10/2006
