GLASS CLEANER AEROSOL

PRODUCT NUMBER 9425

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability.

When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution. We invite you to come and be a part of a winning solution.

PRODUCT DESCRIPTION:

Glass Cleaner is a multipurpose hard-surface cleaner that leaves a streak-free finish on glass. This extra-fast drying formula is safe for all surfaces, making it ideal for detail shops.

INSTRUCTIONS:

Spray on surface and wipe off with a clean non-linting cloth.

CUSTOMER BENEFITS:

- Cleans in one wipe.
- Biodegradable.
- Convenience of an aerosol.
- No unpleasant odors.
- Safe to use on all surfaces.

Attention: Refer to our Material Safety Data Sheet regarding hazards, personal protection, and disposal of this product.
